What Residents are Saying

M M.

"I love living at the Stokely Apartments! The building is top-notch and managed by a professional and attentive staff. Andre especially has made a difference if the attention to detail and listening to tenant concerns. Maintenance is on top of any unit repair and also all of the other responsibilities that come with a good maintenance team.

I work in the industry, and I understand what it takes to have a top-notch building manager and

maintenance team.

Thanks to Andre and his team, the Stokley is a clean, well-run building."
