January - The Cozy Nook Challenge

Snap Your Space!

This January, we're inviting residents to slow down, get creative, and make their space feel even more like home with The Cozy Nook Challenge at Stokely. Whether it's a quiet reading corner, a cozy chair by the window, a styled shelf, or a welcoming nook in a shared community space, residents are encouraged to decorate any corner in a way that feels warm, inviting, and uniquely theirs. Use pillows, soft lighting, plants, artwork, or any personal touches you love. Once your cozy corner is complete, snap a photo and submit it to the team or **tag us on IG!** We'll be selecting two standout spaces that best capture creativity and coziness to receive prizes. This challenge is all about celebrating creativity, connection, and making life at Stokely feel even more comfortable and welcoming.

Holiday Soirée!

Holiday magic at home

Our Christmas party at Stokely Bellevue was full of everything the season calls for — great food, generous gifts, and neighbors coming together to celebrate.

From laughter around the table to festive surprises throughout the night, it was a reminder that the best part of the holidays is sharing them with the people you call home.

Thank you to everyone who joined us and made it such a joyful evening.

What They're Saying

KB.

"After almost 4 months of living here, I'm happy with the community. The onsite management team is very helpful and friendly. Maylyn and the maintenance team (Antonio) are very responsive to any inquiries: almost all working orders are completed on the same day. Ab is also very friendly. Gym is clean. The property located in a community close to downtown park, H-mart, safeway etc, very convenient. You can see mountain Rainer on sunny days if you live on the southern side.

Though some of the facility / utility can be better, like replacing physical locks with digital ones. I really had a hard time when I lost my key on a weekend: the office was closed and the security team on call simply recommended me to get a lock-smith, costing me ~\$250 to unlock the door and get new keys."

Live Well

The Winter Reset

The Vibe: Nordic Rituals & Hydrotherapy
Focus: Immune Support & Circulation

Bellevue winters call for a serious wellness upgrade. This month, we're focusing on contrast therapy to keep your energy high and your immune system sharp.

Your Wellness Mission:

Heat & Cold Rituals: Visit Yuan Spa for their signature hydrotherapy circuit—alternating between warm pools, cedar dry saunas, and a cold drench shower to stimulate circulation.

Bluebird Day Walks: Don't let the chill keep you inside! Take a brisk lap around Bellevue Downtown Park (just a block from home) to soak in the mountain views and crisp air.

Digital Detox: Head to the Bellevue Botanical Garden for the Winter Silhouette Show on January 31st. Seeing the intricate, bare structures of the bonsai trees is a perfect masterclass in finding beauty in the "rest" phase of winter.
