What They're Saying

H.

" I've had a great experience at Stokely Apartments since I moved in a month ago. The team, especially AB and Maylyn, has been very responsive and helpful from the start of apartment search to whenever I've needed assistance. The facilities are clean and well maintained, and I really appreciate the modern amenities, valet trash service, safe package reception room, and the availability of EV charging stations. Overall, it's a comfortable, convenient, and well-managed place to live."

Pet Of The Month

Forest

Dressed to Impress: Saying Hello to Forest!

Say hello to Forest, Stokely's official Pet of the Month and resident gentleman! This handsome 6-year-old Corgi takes his duties as the community's professional people-greeter very seriously—and he's always dressed for the occasion in his dapper bowtie. If you pass him in the hallway, don't be shy; Forest will insist on giving you a proper hello! When he isn't charming everyone he meets, this sweet boy loves soaking up the spotlight, collecting treats, and making new best friends. Next time you see Forest making his rounds, be sure to give him a little extra love (and maybe a snack)!
